

The Mouvex meter solution **ISOIL meters**

Reliability:

- The "vane" technology widely used in our range of pumps and compressors is fully controlled.

Precision:

- Vanes in touch with the body guarantee a matchless and long-lasting precision.

Range:

- Large selection of sizes and materials.
 - Aluminium
 - Steel
 - Cast iron
 - Stainless steel

Very adaptable:

- The large selection of accessories available allows us to offer you the most suitable combination for your needs.
- Stationary and mobile applications.

Easy fitting:

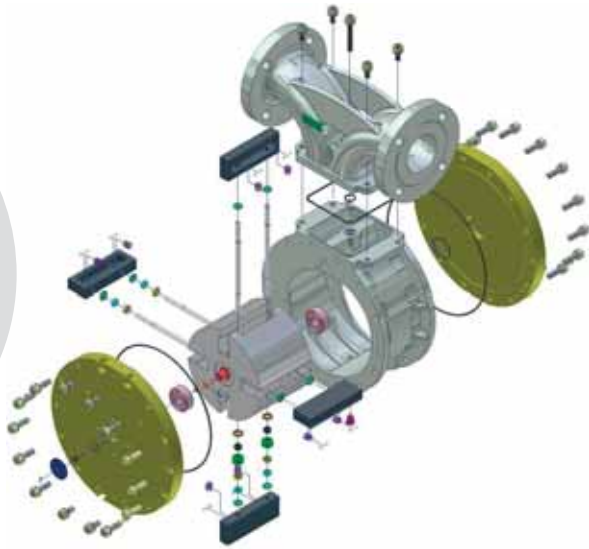

- The body is only held by the pipes.

Up to 942 m³/h
